Dear Mr Boulaajoul,

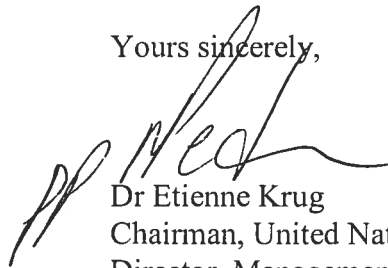

I refer to your letter of 31 March 2016 requesting membership of the National Committee for Prevention of Traffic Accidents (CNPAC) to the United Nations Road Safety Collaboration (UNRSC), and the presentation you made during the 22<sup>nd</sup> UNRSC meeting on 12-13 April 2016 in New York, United States of America.

On behalf of the World Health Organization, I have the pleasure of congratulating you and welcoming the National Committee for Prevention of Traffic Accidents (CNPAC) as a member of the UNRSC effective 13 April 2016. The CNPAC is now listed as a partner on the UNRSC website (<http://www.who.int/roadsafety/about/partners/en/>).

In light of the work of the National Committee for Prevention of Traffic Accidents on improving road safety, we believe that your organization will play a key role in supporting global road safety efforts through sharing experiences with other countries in the Eastern Mediterranean region. I look forward to many fruitful years of collaboration to meet the goal of the Decade of Action for Road Safety 2011-2020 and the ambitious target 3.6 set in the Sustainable Development Goals.

We look forward to seeing you at future UNRSC meetings.

Yours sincerely,

Dr Etienne Krug
